## EXPERIENCE

### CVSPAN | FRONTEND DEVELOPER INTERN

Jun 2024 – present | Lagos, NIGERIA

- Improved page load speed by 35% by optimizing assets, implementing lazy loading, and minimizing render-blocking resources, contributing to a smoother user experience
- Developed mobile-first, responsive interfaces ensuring consistent functionality and visual integrity across all devices and browsers
- Built a reusable component library that streamlined development processes, reducing new feature development time by 30%.

### THE EDGE COOPERATIVE | SOFTWARE DEVELOPER

(CONTRACT)

Apr 2024 – May 2024 | Lagos, Nigeria

- Refactored existing codebase to follow best practices, enhancing code readability, reducing technical debt, and making future updates more efficient.
- Designed and implemented key visual elements, boosting overall site aesthetic and functionality, which led to a 25% increase in user retention.
- Collaborated with data analysts to utilize user behavior insights, refining the UX and increasing conversion rates by 15%
- Introduced smooth, lightweight animations and interactive elements, improving the site's visual appeal and engagement metrics.

### AWELEWA STYLING | FRONTEND DEVELOPER

Aug 2022 – Oct 2023 | Lagos, Nigeria

- Interacted with clients to assess their problems and implement a solution in an efficient, friendly manner.
- Maintained regular communication with stakeholders to ensure development alignment with business goals and to implement adjustments based on direct feedback
- Implemented responsive design principles, ensuring seamless user experience on both high- and low-performance devices.

## PROJECTS

### PICFINDER | IMAGE DOWNLOAD WEBSITE

- Developed a robust image search and download platform using Nextjs and Tailwindcss, allowing users to find and download high-resolution images..
- Integrated APIs to provide dynamic image content, enhancing the user experience and supporting a broad range of search queries.

### CLOUDZ | SHAREABLE IMAGE LINK GENERATOR

- **Cloudz**, a tool for generating shareable image links, enabling users to upload images and receive shortened URLs for easy sharing.
- Built with a ReactJS frontend, providing a fast, responsive interface for efficient link generation and image handling.
